

PANEL FASTENERS AND HOLE PLUGS

SECTION VI

POSTS AND SCREWS

Molded in **CLEAR** Polycarbonate

Molded in polycarbonate material. Stronger and more durable for industrial applications. Low cost, transparent fastener: female-threaded headed bushing and slotted-head machine screw.

SCREWS

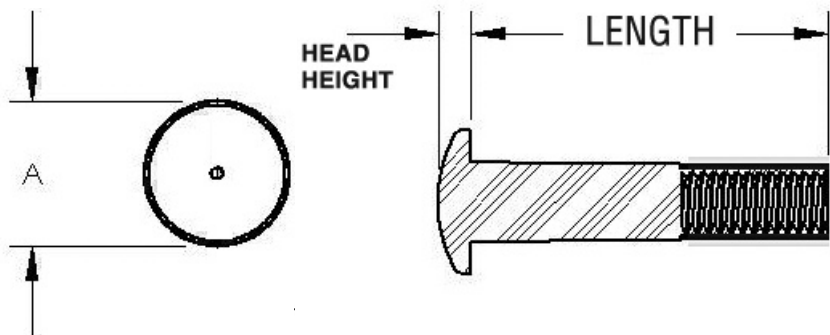

SCREW AND POST ARE SOLD SEPARATELY

ITEM NUMBER	SCREW SIZE	THREAD	A	H	J	T	LENGTH
010832POST025PC	8	832	.355	.093	.060	.062	1/4
010832POST037PC	8	832	.406	.093	.060	.062	3/8

Posts and Screws can also be purchased molded in Black or White Nylon.

Simple, effective, fast binding solution for a variety of applications, including;
